- Web Technologies : HTML5, CSS3, JavaScript, JQuery, PHP
- Database : MySQL, Oracle-SQL-Plus, MS-SQL

Selected Projects

- Employee Management System using Java Swings. Jan 2016- Feb 2016

Student Management System, a Java Based Application is now running in Applabs Company. It is useful in storing details of working Employees. Functionalities like Modify, Delete, Filter Employee records are also added along with Simple and Neat User Interface using Java Swings.

Github link: <https://github.com/Mahesh1296/myJavaProjects>

- Home Automation System using Raspberry PI (RPI) Jan 2016- Feb 2016

It is a project for 'Looking Beyond Syllabus' competition in our college based on IOT. We as a team have come up with a idea of creating web based interface to control various Home appliances remotely via internet. It requires languages like Python, PHP for back-end Functionality. Key Hardware Components are PIR Sensor, Temperature Sensor, Ultrasonic Sensor, etc.

Achievements/Certifications

- Secured 1st place in Intra Collegiate Coding Competition 'TechTrix', Organized by ISTE-VESIT. (2017).
- Certification in Leader plus Internship Programme at SoaringEagles. (2015)
- Merit Score in National Talent Acquisition Test (NTAT) organized by SwitchIdea. (2015)
- Certificate of Merit from Internshala for securing internship.(2015)
- Secured 1st Rank in School in S.S.C Board. (2012)

Activities

CO-CURRICULAR ACTIVITIES:

- Pursuing training for OCPJP 7.
- Participated in various intercollegiate Coding Competition like JavaGuru, C-way, CodeSwap Organized by VJTI College.
- Solving coding Algorithms at Hackerrank website.
- Participated in spoken tutorial FOSS training Event organized by IIT Bombay.

EXTRA-CURRICULAR ACTIVITIES:

- Participated in Leadership skill enhancement programme organized by SoaringEagles
- Active Member of CSI and ISTE society.
- Active Member of Sambhav NGO.
- Runner-Up in Speech competition during school.

Personal Strengths

- Possess excellent interpersonal traits with capability of problem solving through reasoned thought processes.
- Ability to learn quickly.
- Passionate towards coding.
- Regular, responsible and dedicated towards every task.
